

## *EMC PLANNING GROUP JOB POSTING: ASSOCIATE WILDLIFE BIOLOGIST/REGULATORY SPECIALIST*

### **Associate Wildlife Biologist/Regulatory Specialist**

Located in Monterey, California, EMC Planning Group Inc. has provided award-winning land use planning, design, land use entitlement, resource assessment, and environmental services to both public and private clients for over 44 years. A detailed description of the services we provide, our company culture, and sample projects can be found at our website: [www.emcplanning.com](http://www.emcplanning.com).

We are currently seeking an Associate Wildlife Biologist to provide consulting services on a wide variety of projects throughout coastal and central California. Duties will include general biological field surveys, focused surveys/habitat assessments for special-status wildlife species, jurisdictional wetland and waterway delineation, regulatory agency coordination/permitting/compliance support, preparation of resource technical reports and CEQA/NEPA biological resource impact analyses.

Qualifications for the position include a B.S. or B.A. in biology, ecology, natural sciences, or another relevant field; a Master's degree is preferred. The candidate must have a minimum of two years of experience as a biological consultant in California. CEQA/NEPA compliance experience is required. Mitigation site planning, restoration planning, permitting, and monitoring experience are a plus.

We are looking for a biologist with clear and concise technical writing competency, proven project management and budget tracking abilities, strong proposal preparation/client interaction and marketing skills, regulatory agency permitting knowledge, and extensive field experience with wildlife species found in coastal and central California. The ideal candidate will possess patience, flexibility, and enthusiasm; have advanced computer skills, habitat mapping and GPS capability, and private biological consulting experience. We are looking for a team player with a professional attitude and cooperative communication style.

For consideration, please email your resume to [robinson@emcplanning.com](mailto:robinson@emcplanning.com). Position and salary DOE. Position is available immediately in Monterey, California.
