

Environmental Planner (Senior to Principal Planner Level)

Located on the beautiful Monterey Bay, **EMC Planning Group Inc.** has been providing award-winning planning, design, entitlement, natural resource, and CEQA/NEPA services to both public and private clients for over 45 years. We are recognized both locally and nationally for our work and services, which include community planning, permitting and regulatory compliance, municipal staff support, and natural resource assessment.

We are currently seeking an Environmental Planner at the Senior to Principal Planner level. This position works closely with other environmental, land use, and housing-focused planners to prepare complex and detailed written documents for environmental and land use planning compliance projects, including CEQA initial studies and environmental impact reports, specific plans, general plan elements, and entitlement permitting. Experience writing CEQA/NEPA documents and high-quality technical writing skills are required. Experience with air quality modeling and analysis (CalEEMod) is not required, but is favorable.

The ideal candidate will have strong management skills, superior attention to detail, strong organizational, analytical, writing and communication/presentation skills, and can work independently with limited supervision.

Requirements (must meet a majority of these requirements for consideration):

- Bachelor's and/or Master's Degree in planning, environmental studies, or relevant science or technical field;
- Minimum 5 years of planning and environmental documentation experience, including preparation of CEQA/NEPA documentation, general plan elements, planning documents, and land use feasibility analysis;
- Adaptability to contribute to diverse planning projects;
- Excellent research, technical writing, and analytical skills;
- Strong public presentation skills;
- Ability to work both independently and collaboratively;
- Ability to work within budgets and timelines; and
- Proficiency in MS Word and Excel.

Salary Range: \$80,000 - \$130,000
